Razzle Girl of The Year 2016 nominee Beth Bennett had a ball at the recent Paul Raymond awards bash. “I would have loved to have won the title but to lose out to the amazing Satine Spark made up for the disappointment. She looked so hot on the night and while we were grinding up against each other on the dance floor it took all of my will power to stop myself putting my hand up her tiny dress and slipping a couple of fingers in her tight pussy!”

Busty brunette Jess thinks it's a whole load of rubbish to suggest that Blondes have more fun! "If you're ever lucky enough to spend one night with me you'd know what I mean," Jess tells us. "My ideal night would start off in a few pubs and bars, followed by a cheeky burger somewhere, and ending up at my place with lots more booze and a lot less clothes. I like to start off taking a dick in my mouth, then in my twat, and when I feel it pumping my arsehole with hot spunk I cum on the spot!"

"It doesn't take much for me to get wet. I don't even need to see a cock, all I need to do is think about one, and I get juices dribbling down the inside of my thighs. And when I get my hands on one I'm lubed up and ready for a good fucking." That's why we love you so much Candy!

TRUE CONF

SEND YOUR CONFESSIONS TO: RAZZLE MAGAZINE, 20 LYON ROAD, HERSHAM, SURREY, KT12 3PU OR RAZZLE@PAULRAYMOND.COM

We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

HOW OFTEN DO YOU HAVE SEX?

As often as I bloody well can! I haven't got a boyfriend at the moment so I don't get cock every day how I'd like to, but I am quite a slapper so I still get my fair share of rammings.

Usually on weeknights I stay in because I don't want to miss work the next day. I'm already on my last warning after coming in pissed on consecutive mornings. So during the week I spend my evenings playing with myself. I've got quite a few dildos and I make sure I give them all a piece of the action, sometimes using two at a time to pleasure both holes.

By the time the weekend comes around I'm gasping for a shag. I get tarted up like a slag – you know, tiny little skirt, G-string, low cut top and long leather boots. Then I meet up with a few girlfriends and basically we get pissed up and go out looking for a fuck. We hunt in a pack, which slowly gets smaller as one by one (and sometimes two by two!) we cop off.

Last Friday was a successful hunting trip. All seven of us pulled, including two of the girls who went lezzer and copped off with each other. I pulled this bloke called Rhys and went back to his place. After he'd fingered me at the bar in the pub we were at, we decided to walk back to his place over the other side of town.

I was quite pissed and randy as fuck.

I SWALLOWED ALL THE SPUNK I COULD, BUT HE SHOT SO MUCH IT SPILLED OVER HIS BALLS

A week on plastics and fingers had made me desperate for the feel of a real rockhard cock sliding up my cunt. My pussy was leaking juice and as we cut through the park I dragged him onto the floor and started kissing him.

I got on top of him and my skirt rode up around my waist. I could feel his boner pressing out of his trousers and rubbing against my moist gash. I turned round so my juicy snatch was right in his face and I could undo his flies and get at his cock.

As I pulled his trousers off and released his rampant cock he pulled my G-string to one side and lapped at my sweet, soaking pussy.

Hurriedly I yanked his boxers off and closed my mouth over his hot cock. I grabbed hold of the base and wanked him off while I worked on his helmet and the top of his shaft with my tongue. I ran my tongue all around his glans and tried to arrow it down his hog's eye.

He slurped rabidly at my cunt, spreading my arse cheeks wide with both hands.

I could feel an intense climax building up so I slid a hand underneath myself to rub my clit as he worked his tongue over my slit. Then I moved my other hand down and slid a couple of digits into my pussy.

He licked all around my fingers as they squelched in and out of my love tunnel.

I continued to suck his cock, giving him a hands-free deep-throat sucking. I took him deep in my throat, sliding my mouth right down to the base of his cock and taking his full eight inches. With a shudder I came, spilling my cream over my fingers and his face.

Wasting no time, I whipped round and impaled myself on his cock. Then I started riding it like a woman possessed, rubbing my clit as I did. By now I was letting out a constant stream of moans, yelps and obscenities. I'm sure loads of people heard me and probably saw my arse bucking up and down, riding cock with my skirt around my waist. We weren't that far from the street.

Just as I came again and showered his balls with cum, Rhys announced he was about to spunk. I jumped off him and took his cock in my mouth just in time to catch the first jet of cream, which splashed across the back of my throat. I swallowed all the spunk I could, but he shot so much that some spilled out over his balls.

Hungrily I licked him clean, savouring the taste of his jism mixed in with my love

juice. He must have thought I was a total spunk-guzzling nymphomaniac, which come to think of it I am. Then we went back to his place and I demanded he fucked all my holes hard all night – I don't think he could believe his luck!

HAVE YOU EVER HAD MORE THAN 2 IN A BED?

Yes, once I took two blokes home and got double-fucked. It was about a year ago and I pulled them both in this student club. To cut a short pulling story even shorter, I couldn't choose between the two of them and so I asked if they wanted to both bang me. They were mates so they were well up for it – some sort of bizarre male bonding.

I took them back to my place and I slung on a porno video to get us in the mood – and to get a few tips. We were drinking vodka out of the bottle and watching a girl getting fucked up the arse while she rode another guy's cock with her cunt. I'd often thought about taking two cocks at once like that, and I told the lads I wanted to be fucked like her.

Then I got up in front of them and slowly peeled off all my clothes. They sat there on the couch and got their cocks out, slowly pulling themselves off as I undressed in front of them. When I was completely naked I dropped to my knees in front of the first guy and took his cock in my mouth. As I sucked his thick cock his mate took his clothes off. When he was naked I moved across and started licking his bellend, giving the other one a chance to get undressed.

When we were all butt-naked I got on all fours in the middle of the room. Then one of the lads came forward and stuck his cock in my mouth. I began sliding my wet lips up and down his shaft while I listened to the moans of the girl getting fucked on the video. Then I felt the other lad nestling in behind me and beginning to lick my pussy lips.

Once he'd given me a good licking and got my juices flowing he adjusted his position and I felt his cock nudging the entrance to my cunt. I pushed my weight back through my hips and his cock slid inside me. He started to pump, and each time he slammed his cock hard into me I bucked forward and took the other one to the hilt in my throat.

The two lads were whooping and giving each other high fives as they spit-roasted me. "You lucky girl!" they kept shouting, slapping my arse and pumping away.

Deciding it was time for double entry, I got one of them on the floor and sat on his cock.

I PUSHED MY WEIGHT BACK THROUGH MY HIPS AND HIS COCK SLID INSIDE ME

Then I leaned forward and, turning my head, gestured towards my arse at the other bloke. He crouched in behind me and, spreading my arse wide, eased his cock right up my brown-eye.

They then proceeded to double-fuck me ragged. It felt great getting both of my holes fucked full of cock while I watched the same thing getting done to the girl on the porno video. I was yelling the place down and cumming like a fountain until, one after the other, they filled my arse and then cunt with lovely hot man-fat.

HAVE YOU EVER HAD GROUP SEX?

I went to a sex party with a 19-year-old sex kitten friend of mine called Kayley once. We had heard about it down the pub. It was being held in a flat near our block and we sort of knew the couple who were holding it. One of their friends who was going invited us to go along, told us where and when and also told us the password to use at the door, about which we were sworn to secrecy.

We thought it would be a bit of a laugh and decided to go along, though we didn't really know what to expect. We dressed up dead sexy, both wearing stockings and suspenders and tiny skirts with no knickers. We got fairly pissed before we left so we would be that bit more reck-less and rude.

We went to the address and rang the bell. Some fat bloke opened the door a fraction and asked what we wanted. We told him we were here for the party and told him the password. He let us past and we went into a room with the curtains closed and people all over the place. There was some bird giving a guy a blow job on the sofa and another girl riding a bloke's cock right next to them.

In the middle of the floor there was a girl of about 19 being spit-roasted by two tattooed blokes and she looked like she was loving it. It was a pretty filthy scene, and Kayley and me were a bit overawed.

Then the woman who was throwing the party, Dolly, came over to us. She was about 35 but slim and pretty with long dark hair and pierced nipples. She greeted us with a big smile and ushered us through

Axa likes to have a bit of fun on her shoots with us, but on this occasion she decided to ditch all of the gimmicks and give our camera man a bit of fun. "I couldn't help but notice his vintage camera collection so I thought I would have some fun of my own. Needless to say it wasn't just his old cameras that I had in my hands by the end of the shoot!"

Nice set of lungs, girls! Blowing up balloons for a party ends with Chloe and Satine's clothes popping off and a good banging session. Not to mention some rapid inflation in our trouser region. Maybe all that blowing will put them in mind for a bit of fellatio. One thing's for sure though – you'll need plenty of puff to keep up with these two Duracell sex bunnies! "These balloons are liable to pop as soon as you sit on them!" says Chloe. "Just like most men I know!" grins Satine.

If sex education lessons were like this back in the day we might have paid a bit more attention. Although if we had, later on down the line, our other half's might get the shock of their lives when we thought it was normal to bring a condomed covered cucumber into the bedroom! "I have to say it's the first time I've seen one, I was desperate to give it a try," Alexa confessed to us.

Rock chick Alessa knows what it takes to please her man. "He loves it when I get dressed up for him, and there's always one important element to all of my outfits - I either have to be wearing something crotchless or no knickers at all! He likes the easy access so that when the time is right he can fuck the shit out of me!"

TRUE CONF

...CONTINUED FROM PAGE 27

a pair of sliding doors into the kitchen where there were quite a few people chatting and drinking, all fully clothed.

Dolly explained the lie of the land to us. The front room, which we had just passed through, was one of the 'action areas'.

These were the rooms where the sex happened. The front room was a free-for-all, the first bedroom was women only and the other bedroom was a total orgy where anyone could join in. The kitchen and dining room were for chatting, drinking and generally chilling out, and sex was not allowed.

She put us at ease and we had a drink. Then she left us alone, telling us to relax, have a wan-der round and do whatever we felt like doing. We decided to go into the front room and see what happened.

We entered a little apprehensively. There were a number of people sitting or standing around watching like us. The girl who was in the middle of the floor was now lying on top of one bloke riding him while another guy fucked her up the arse. She was hot and sweating and making lots of noise. As we watched, another guy standing by the wall wanking his cock went and kneeled down next to her.

She turned her head to one side and sucked his cock for all she was worth, still taking an al-mighty pounding in both holes.

Just then I felt a hand rubbing my thigh and moving towards my cunt. I opened my legs a bit, allowing Kayley to slide her hand up my skirt and rub my pussy lips.

When she pulled her hand away it was smeared with my sticky love juice. I took her fingers in my mouth and licked them clean, pulling her close and exchanging my juices in a kiss.

I sat her on the arm of a sofa and pulled her skirt up around her waist. She had no knickers on so I was able to lift her legs up and kneel down in front of her with her freshly shaved cunt at my mercy. I started licking her out and then felt someone rubbing my tits from behind.

My top was pulled up over my head and my bra undone while I licked Kayley's pussy. I raised myself onto all fours and stuck my arse in the air invitingly. I felt hot breath on my quivering pussy and then a tongue tentatively exploring it. I thrust my hips back, encouraging whoever it was to give me a good tonguing.

> ONE BY ONE THEY UNLOADED BIG DOLLOPS OF WARM SPUNK ALL OVER ME

I pulled my mouth away from Kayley's so I could see what she was up to. She was also topless and she was snogging some beefy bloke of about 30 and tossing his big hard cock off. I delved my tongue between her lips once more.

Then I felt my own cunt lips being spread. Two fingers were suddenly thrust inside my cunt and a thumb was buried up my arsehole. Whoever was behind me was giving me a good rough fin-gering which I was really enjoying. I wanted to know who it was, so I left Kayley's well-chewed pussy alone and looked over my shoulder.

A youngish bloke with long hair and a goatee beard was working on my cunt and arse. I caught his eye and told him to fuck me. He gave me a sly grin and kneeled behind me. I braced myself for a fucking, but I was surprised (pleasantly) to feel his blunt cock-end straining against my arsehole instead of my cunt.

As I was preparing to have my arse fucked, I found a big hard cock thrust in my face. I took it hungrily in my mouth just at the moment my bum was penetrated. For the next ten minutes I kneeled there on all fours just enjoying a reaming from both ends by two well-hung, experi-enced fuckers.

FESSIONS

It felt so filthy I was cumming over and over again, especially when someone, a girl I think, slid underneath me and licked my clit and cunt too. Finally the two blokes pulled out and dragged me into the middle of the floor, naked and well fucked, and started wanking over me. Three or four more blokes joined in, all standing over me tossing themselves off while I lay there and waited for their cream, frigging myself off.

One by one they unloaded big dollops of warm spunk over my body, hitting my tits, face cunt and legs. I was covered in it and I felt like a dirty, used, beautiful slut. Both Kayley and me had a wild time at that party and pushed new sexual boundaries, especially when a 40-year-old dominatrix did Kayley up the arse with a strapon in the women's room while I sat on her face. Now she is in heaven every time I take the strap-on to her – she loves it!

WHERE IS THE STRANGEST PLACE YOU'VE HAD SEX?

Apart from up the bum you mean? I was going out with this lad called Lee a couple of years ago who organised a surprise for my birthday. He took me out for a meal and then he took me to the zoo.

Yeah, I thought it was a bit weird too. After the meal and a bottle of plonk I was feeling a little light-headed and horny.

Looking at chimps was the last thing on my mind – I wanted cock. I started rubbing Lee up each time we stopped to look at one animal or another. He knew what I wanted, letting me rub his boner and holding me from behind and rubbing it against my arse each time we were pressed up against a cage.

When the coast was clear, we climbed over a small fence and slipped into a shed inside the penguin enclosure for a quickie. The shed was pretty small and had buckets of this and bottles of that all over the place. Lee hitched me up on a shelf and undid my jeans. Hurriedly he yanked them and my knickers down.

I was fumbling with his trousers, desperate for his cock. He pulled it out and without ceremony lined it up between my pink. He put a strong arm around me and pulled me onto his cock. I was quite juicy already, but it was still quite a rough entrance. He wasted no time finding his rhythm, fucking me nice and deep at a steady rate.

I was well up for it, enjoying every thrust of his hard cock and every filthy outburst from his mouth. "You're fucking loving it. Cum on my cock you dirty bitch!" he growled at me, thrusting harder and faster.

I couldn't help myself, involuntarily trembling and gasping and reaching a mighty climax. I dug my nails into his sweating back as I came.

When he pulled out he told me I would have to wait before I could drink his cum. He was as good as his word. Once we had slipped out of the penguin enclosure and out of the zoo he drove me down a country lane, fucked my mouth and filled me with hot cum.

HAVE YOU HAD ANY LESBIAN EXPERIENCES??

Though cock is generally my weapon of choice, I do occasionally like to suck on a nice juicy beaver as well.

Once when I was out on the town with my mates again (all of my pulling seems to be done out on the piss!) I got a bit too drunk and had to be carried home by my friend Kirsty. She helped me back to her place because it was much nearer and I wasn't walking too steadily.

Anyway, she got me home and laid me on the sofa. She made me drink a pint of water and a couple of cups of coffee. After a while the room stopped spinning and I felt OK again – just pissed as a pudding. She snuggled onto the sofa with me and we watched a bit of late night telly.

I was gutted that I had to go because I hadn't had time to pull. My pussy was crying out for some love and if I couldn't have cock, pussy would do just as well. In truth, I'd fancied Kirsty for ages and we were always flirting. I knew she was bi and she knew I'd dabbled, so it was really just a matter of time before we got in on.

As I lay there Kirsty began to stroke my hair. She told me I was very beautiful and I closed my eyes and relaxed as she ran her fingers through my blonde locks and caressed my face. Slowly, her hand inched down my neck and reached my tits. She squeezed them through my top and tweaked my nipples as they stood to attention.

I moved so my legs were open and she was sitting in between them rubbing my tits. My skimpy thong was clearly visible as my short skirt rose up my thighs. She hitched my skirt way up and obligingly I lifted both legs above her head, allowing her to peel off my moist thong. Then she spread my legs wide and went down on me.

She licked my cunt teasingly from top to bottom, getting me more and more excited. Then she began licking my clit really hard, making my body quiver as I felt an orgasm rushing upon me. She slipped a finger into my cunt, which drove me over the edge.

I trembled and moaned uncontrollably as I creamed over her face. Then she went upstairs and came back naked and brandishing a massive double ended dildo.

We sat on the floor and slipped one end of the dildo into her cunt and fucked herself for a while. Then she called me over and I sat facing her with my knees bent and my legs apart.

Slowly she guided the other end other dildo into my cunt. We inched towards each other until we'd swallowed the whole fucking thing – I couldn't believe it!

Then we began moving back and forth in rhythm, fucking each other and ourselves.

We both came with a splash right there on the floor. She spent the rest of the night showing me a thing or two about lezzie sex, and I loved it.
